

## Ice Hockey Officials of Northern Connecticut 2023-24 Membership Application

### NEW MEMBERSHIP FORM

This form, which is to be used for new membership applications only. *It is required to attach a copy of your USA Hockey card to this application. In order for your application to be accepted and to be assigned games (including mentoring assignments), each official must have a current year completed application form on file with the IHONC.* Before completing this form, please read the IHONC policy that is contained in the following paragraph.

Ice Hockey Officials of Northern Connecticut does not have an age limitation policy. USA Hockey recommends that officials achieve a specific level of certification for each level of play. IHONC embraces USA Hockey's game assignment recommendation, available for review on the USA Hockey website. IHONC cannot guarantee any official game assignments throughout the course of the hockey season. As recognized Independent Contractors, all officials are responsible to maintain their availability in the web-based assignment system utilized by IHONC. IHONC may take several factors into consideration when assigning officials including but not limited to skill level, availability, dependability, attitude, perceived conflict of interest, exposure, and location. All officials that do not have previous game officiating experience working a sanctioned USA Hockey travel program must participate in IHONC's mentor program before being assigned games without a mentor. IHONC's mentor program can be reviewed in detail by visiting our web site ([ihonc.org](http://ihonc.org)) and selecting the Mentor Program link. After graduating from our Mentor Program, assignments will be dependent upon your level of ability as evaluated by your mentor, and your availability to accept appropriate assignments.

Completed form (**both pages**) along with the required membership fee should be mailed by USPS (electronic submissions will not be accepted) to Steve Levins at 35 Belden Lane, Rocky Hill, CT 06067.
